**I used to sit at home all day**  
Letting my life waste away!  
Then one day I sprang awake!  
To put abortion on the brakes!

(Small Group Sing the first Chorus)  
**Do you hear the people sing**, singing the song  
of the unborn  
It is the music of the silenced who will be silent  
no more!  
Let the beating of their hearts echo the beating  
of the drums  
There is new life about to start when tomorrow  
comes

We're right!  
We're free!  
We'll fight!  
You'll see!

Teeeeeell me Lord what should I do!?  
To help these souls turn back to You!  
I get down on my knees and pray!  
Lord, please take this curse away!

(Everyone)  
Will you join in our Crusade will you be strong  
and pray with me  
To conquer Roe v Wade our youngest brothers  
are in need  
So join in the fight that will give them the right  
to be free!

(Chorus)

Ohhhhh I will not rest until I see,  
All lives set free in this Country!  
The army dressed in yellow and black,  
Giving Roe V. Wade a Heart Attack!

(Chorus)  
Will you give all you can give so that our  
banner will advance  
Our brothers doomed to die will you rise up,  
give them a chance  
Too long has the blood of our children been  
stained on our hands! (Chorus)
